

IN THE WOMAN'S WORLD

SPRING MAID OF 1913 WILL HAVE THE 'STRAIGHT FRONT'

Direct from the makers of women's fashions comes this message: "The spring maid of 1913 will have a straight front and her skirts will be narrower than ever."

Here is the news from the "front". CHICAGO, Nov. 22.—The spring maid of 1913 is to be straight front, straight back, hipless and curveless. If fashionably attired, she will look like a straight line, with an oblique line at the top, said oblique line being her hat.

The National Cloak and Suit Manufacturers, who began their two days' session today and who determine styles for all ready-made garments from Philadelphia to the Pacific Coast, gave the above outline of what will prevail next season.

Skirts are to be perfectly straight, looking like an envelope. Jackets are to be the same. Narrow skirts will prevail, hence they will be slashed, so that the wearer may move with some degree of safety. The slash may be in the back, front or sides. The slash will extend to a point just below the knee and will be skillfully concealed by pleats.

Living in a sparsely settled community where funds are scarce she was put to it to secure proper head adornment. She purchased a spool of thread at an outlay of five cents and utilizing the product of the pine trees at her door soon had a hat that is a marvel of beauty and the wonder of all who have seen it.

The hat has taken first prize in the woman's exhibit. Besides the thread a small piece of ribbon is the only article of intrinsic value on it.

SAVANNAH, Nov. 12.—Among the remarkable exhibits at the state fair at Tifton is a woman's hat constructed of pine needles. The hat is the work of a south Georgia minister's wife.

22.—The Russian aviatrix, Ljuba Ganchikow, today made a record for altitude for women by reaching a height of about 7,800 feet. She used a monoplane.

FAMOUS WOMAN GOLF PLAYER DIES

CHICAGO, Nov. 22.—Mrs. Bernard C. Horne, known to golfing enthusiasts as Bessie Anthony, for years woman Western golfing champion, died today at her home, "Glenview," near Keswick, Va. One of the most brilliant matches which she won on the links was at Exmoor in 1904, when she defeated Miss Mabel Higgins of the Midlothian Club. In many of her championship matches Bessie Anthony had "Chick" Evans for her caddy.

HEALTH LEAGUE TO BE FORMED AT 'Y' TONIGHT

The Health League of the Young Men's Christian Association will be organized this evening in Cooke Hall, the league to be composed of members of the association who are interested in the promotion of personal, municipal and social health. A general invitation has been extended to the members to be present and also to any other men who are interested in the organization of such a project.

A number of interesting addresses have been prepared which are as follows: The Plan of the Health League, Dr. W. C. Hobdy; Benefit of the League to the City, Dr. J. S. B. Pratt; Private Citizens and Public Health, E. A. Mott-Smith; Relation of the Physical Department to the Health of the City, Dr. A. S. Jackson; Relation

ROYAL

BAKING POWDER

Absolutely Pure
The only baking powder made from Royal Grape
No Alum, No Lime Phosphate

of the Y. M. C. A. to the City's Health, Paul Super; Joining the League, Fred W. Lau.

All those who join the Health League will pay one dollar a year in addition to their regular association fees, for which they will receive the regular publications of the National League and one or more books each year relating to questions of health. The books which have been issued this year are "Preventable Diseases," by Dr. Woods Hutchinson, and Dr. W. S. Hall's widely circulated book on "Physiology and Hygiene of Sex."

The Honolulu branch of the Health League is a part of the National League which has members all over the world, with Dr. George J. Fisher, of New York City as promoting secretary. The local league will take up such questions as sanitation, sex instruction, first-aid, and other matters of sanitation, and will cooperate with the Board of Health.

The local branch is under the direction of the physical department of the association, of which Dr. Hobdy is

chairman, and F. W. Lau physical director. Other members of the committee promoting the league are: B. F. Dillingham, Dr. A. F. Jackson, of the Queen's Hospital; Dr. Marshall, of the Marine Hospital, and Frank C. Bechert.

SPEAKERS FOR ANTI-VICE MOVE ARE ANNOUNCED

"Does Honolulu Care?" is the suggestive slogan of the meeting at the Bijou theatre on Sunday night, called by the Inter-Church Federation to discuss the alleged prevalence of crime against women and girls in Hawaii and measures for its prevention.

The following speakers were announced today:

Bishop Henry B. Restarick, to preside and deliver the introductory address.
Miss S. C. Sterritt, superintendent of the Girls' Industrial School.
Principal Perley L. Horne of Kamehameha Schools.
Rev. P. W. Rider, superintendent of Kakaako Mission.
John R. Galt, president of Palama Settlement Association.
Judge W. L. Whitney of the Juvenile Court.
W. A. Bowen.

Resolutions will be presented calling for the appointment of a committee to go into the matter thoroughly, find out where the responsibility for alleged failure to enforce law lies and suggest remedial measures.

LAUNCHING AN EVENT YESTERDAY

An important event in local waterfront circles was the launching yesterday morning of the first pontoon to be built at the port of Honolulu, which later will become a part of the big commercial drydock that is under construction by the Interisland Steam Navigation company.

A company of shipping men and harbor officials together with a crowd of interested spectators gathered at the shipyard yesterday morning as the signal for the knocking away of the wedges was given.

The huge drydock pontoon that has been building for the past few months began the descent, but before reaching the water of the harbor became lodged and could not be moved with the appliances then at hand.

After some delay the Matson Navigation tug Intrepid was signalled and this vessel appeared on the scene. A line was soon attached to the pontoon and one of the nine large units that go to make up the first floating dry dock in the mid-Pacific was soon moving down the incline.
